All About Auditory Processing
 ~Debunking Myths~
 ~Promoting Facts~

"We are a diverse group of colleagues specialized in diagnostic and re/habilitative management of Auditory Processing Disorders (APD), serving people worldwide. We believe that this is best achieved through professional competence, mutual respect and working cooperatively. IGAPS is a platform where professionals share ideas on topics related to APD, primarily for assessment and intervention, for the sole purpose of education and accomplishing the mission ."
