

IGAPS 9th Annual Conference
October 5-6, 2023
Saint Lukes Hospital, Kansas City, MO

All About Auditory Processing
~Debunking Myths~
~Promoting Facts~

"We are a diverse group of colleagues specialized in diagnostic and habilitative management of Auditory Processing Disorders (APD), serving people worldwide. We believe that this is best achieved through professional competence, mutual respect and working cooperatively".

Course Fee - \$300 per person (students - \$50)

Fee includes lunch and snacks both days for In-Person Attendees

Three payment options:

- **Checks made payable to IGAPS and mailed to:**
Kim Casey – C/O Little Listeners - 6720 Jamestown Drive, Alpharetta GA 30005
- **Credit card payments accepted with an \$11 per transaction processing fee**
- **Venmo (no additional fees): @Christa-Reeves**

Registration Questions? Contact Kim Casey at Little Listeners:
770-744-2451(phone) ~ kim@littleslisteners.com ~ 770-573-6399(fax)

Hotel Information - Courtyard by Marriot, Country Club Plaza
4600 J C Nichols Pkwy, Kansas City, MO 64112 ~ (816) 285-9755
\$139 per night* - mention IGAPS group
*Includes Breakfast and Parking

Airport Information - MCI - Kansas International Airport
Shuttle service from the airport available by reservation directly with the hotel

Please complete and submit the registration form on the last page

IGAPS is a non-profit Organization committed to high standards. At this time the information obtained from participants for the purpose of conference registration is only available to CE Administrators and Treasurer. The information includes payment methods, special requests, names and personal details. Credit card numbers will not be saved for future use. The roster is saved in online storage. No participant information will be shared or sold to third parties. Personal data will not be made public.

All information and content in their presentation will be available online after the event, in a pdf format, unless otherwise stated by the speakers. All speakers have exclusive property rights over the entire content of their presentation, unless otherwise stated by them. Information on the IGAPS website will only serve as educational material to those who seek to gain such knowledge.

Thursday 5th October 2023

8:00am – 6:00pm

Day 1 CEUs – 8.25 hours

8:00-8:15am

Jack Katz, Welcome & Housekeeping

8:15am – 4:45pm

Nancy Rowe, Audiologist

4:45-5:45pm –

Jayashree Seethapathy, PhD

(Breaks: 10:15-10:30am,

12:30-1:30pm, 3:30-3:45 pm)

5:45-6:00pm – Review

Friday 6th October 2023

8:00am – 5:15 pm

Day 2 CEUs – 7.0 hours

8:00-8:15am

Hosts-Welcome & Housekeeping

8:15am – 5:15 pm

Sarah Zlomke, AuD

(Breaks: 10:15-10:30 am,

12:30-1:30 pm, 4:00-4:15 pm)

1:30-2:00 pm Business meeting

4:45-5:15 pm – Review

Breaks and lunches are not part of AAA and ASHA CEUs.

Little Listeners is approved by the American Academy of Audiology to offer Academy CEUs for this activity. The program is worth a maximum of 1.5 CEUs. Academy approval of this continuing education activity is based on course content only and does not imply endorsement of course content, specific products, or clinical procedure, or adherence of the event to the Academy's Code of Ethics. Any views that are presented are those of the presenter/CE Provider and not necessarily of the American Academy of Audiology. **This course is offered for 1.5 AAA CEUs (Intermediate level, Professional area)**

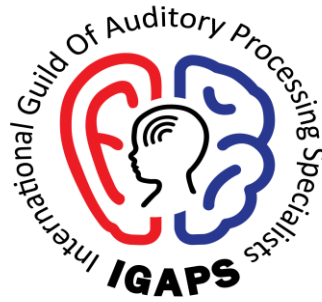

ASHA CE
APPROVED PROVIDER

International Guild of Auditory Processing Specialists

Intermediate Level

1.5 ASHA CEUs

Cancellation Policy: A full refund will be offered prior to September 21st, 2023. A 50% refund will be offered between September 21st and October 5th, 2023. Email kkaul@hotmail.com

In case of cancellation of the course, registration fee will be applied to the new dates offered unless participant requests a refund via email to kkaul@hotmail.com

Please indicate any special needs or any other dietary needs at the time of registration.

All participants are required to take a quiz to complete learner assessment requirement and program evaluation at the end of the course in order to obtain a **certificate of participation and be reported for any Continuing Education credits (including ASHA & AAA CEUs)**.

This course is not focused on specific services or products.

No partial credits allowed. You MUST attend both days in full to receive your CEU credits! Please plan your travel arrangements accordingly! This is non-negotiable.

Unless otherwise noted, no course planner or presenter has disclosed any relevant financial or nonfinancial relationships.

RESOLUTION POLICY FOR COMPLAINTS OR CONCERNS RELATED TO THE CONFERENCE

(All concerns and complaints will be addressed via email within 48 hours)

The Continuing Education committee tries to maintain high standards of commitment and quality. Your feedback is very important to us. Please email us your concerns or complaints. We will respond within 48 hours to try to resolve the issues to the best of our abilities and to your satisfaction. Thank you for your patronage and support. We look forward to your participation.

Email concerns or complaints to kkaul@hotmail.com

Copyrights Protection

We at International Guild of Auditory Processing Specialists (IGAPS) recognize and respect intellectual property rights and are committed to fulfilling our moral and legal obligations with respect to our use of copyright-protected works.

IGAPS sets forth these policies:

1. The information presented at IGAPS conferences may not be reproduced without permission including any copyrighted work in print, video or digital form in violation of the law. Works are considered protected even if they are not registered with the U.S. Copyright Office or any registering agency outside the U.S. and even if they do not carry the copyright symbol (©). Copyrighted works include but are not limited to: printed articles from publications, electronic articles in online publications, online videos, movies, TV and radio programs, recorded music performances, images, training materials, manuals, documentation, software programs, databases, websites and blogs. In general, the laws that apply to printed materials also apply to visual and digital formats such as websites, streaming media, music downloads, mobile apps, CDs and DVDs.
2. To obtain permission to reproduce copyrighted works outside of IGAPS and/or to use such works in ways that are not covered by prior agreements, please request permission by contacting us via our website <https://www.igaps.org/contact>
3. In case of potential copyright infringement, please bring the matter to the attention of IGAPS personnel via our website contact page <https://www.igaps.org/contact>

<p>Thursday, October 5th 2023 8:00-8:15 AM Introduction and Housekeeping</p> <p>8:15 AM-4:00 PM <i>Neuronet Learning, Nancy Rowe, Audiologist</i></p> <p style="text-align: center;"><i>15 mins break 10:15-10:30AM</i> <i>1 hour Lunch 12:30-1:30 PM</i> <i>15 mins break 3:30-3:45 PM</i></p> <p><u>Course Outline</u></p> <p>1. Neural Networks Neural networks and temporal binding Oscillatory and resonant neural networks Our predictive relationship with gravity The speech-hearing network The speech-language network NeuroNet eBook – key concepts</p> <p>2. The Fluency Factor Whole body coordination Move and Talk Speed+Accuracy = Fluency Check Your Progress How does it feel? Your Easy/Hard Score</p> <p>3. Self-Evaluation is the Key to Motivation Using neuroscience messages to help children see that they can change their brains Creating “Changing My Brain” plans Work Time/Play Time – time management goal setting Indirect Instruction Direct Instruction NeuroNet eBook – key concepts</p> <p>4. Structured Rhythmic Movement Exercises Listen, Talk, and Write: The Handwriting network Alphabet Knowledge Reading Decoding Math Fluency Calendar Work Live is a 5 Rock story</p> <p>5. 3:45- 4:45 PM Final Thoughts</p>	<ol style="list-style-type: none"> 1. Demonstrate neuroscience messages to show how our neural networks work. 2. Compare and Contrast different kinds of fluency measures. 3. Describe two different kinds of movement exercises: Whole body coordination exercises and “move and talk” exercises. 	<p>Nancy Rowe is being paid for this presentation by IGAPS and she will receive payment from NeuroNet Learning for providing teacher training and therapist training.</p>	<p>None</p>
<p>4:45-5:45 PM</p> <p><i>Caregiver/Teacher administered remedial program for the management of children with Auditory Processing Disorder - Jayashree Seethapathy, PhD</i></p> <p>Course Outline This remedial program comprises of lessons and activities to improve specific auditory processes such as auditory memory and sequencing, auditory integration, and listening in noise. Lessons are targeted to improve the above-mentioned processes through activities involving auditory memory and sequencing, noise desensitization training, and dichotic off-set training.</p> <p>8.0 total contact hours</p>	<ol style="list-style-type: none"> 4. Describe the process specific intervention under the bottom-up approach 5. Describe the candidates (affected process) for whom this program shall be utilized. 6. Describe the lessons under each subsection of the program. 	<p>This is a part of a Young faculty grant – GATE Project by Sri Ramachandra Institute of Higher Education and Research (SRIHER). This program was developed by Muthuselvi T, Jayashree Seethanpathy, and Roopa Nagarajan.</p>	<p>This remedial program belongs to SRIHER.</p>

Speaker- 9 th IGAPS Conference 2023	Session and 3 Learner Outcomes	Relevant Financial Relationship	Relevant Non-Financial Relationship
<p><u>Friday, October 6th</u> 8:00-8:15AM Introduction and Housekeeping</p> <p>8:15AM-5:15PM Hearing Loss, Dyslexia, and Auditory Processing Disorder.... Oh My! Sarah Zlomke, AuD, CCC-A</p> <p><i>15 mins break 10:15-10:30AM</i> <i>1 hour Lunch 12:30- 1:30 PM</i> <i>1:30-2:00 PM- business meeting.</i> <i>15 mins break 4:00-4:15 PM</i></p> <p>Course Outline Hearing loss: The importance of access to sound Cochlear Implants: Current criteria and technology Hearing Aids: Current technology, when to fit and patient cases What is Dyslexia? How APD and Dyslexia are related What to expect during APD evaluations and therapy for patients with Dyslexia</p> <p>4:45-5:15 Review</p> <p><u>7.00 contact hours</u></p>	<ol style="list-style-type: none"> 1. Identify current cochlear implant candidacy guidelines. 2. Summarize the importance of access to sound when determining candidacy for hearing aids, cochlear implants, and auditory processing therapy. 3. Describe what APD test findings warrant a referral for Dyslexia evaluation. 	<p>Dr. Sarah Zlomke is a clinical audiologist at Saint Luke's Hospital Midwest Ear Institute and a Clinical Instructor for the Department of Hearing and Speech at the University of Kansas Medical Center.</p>	<p>Dr. Sarah Zlomke is an Advisory Board Member for the Children's Therapy Group Foundation.</p>

Biographical Information of Speakers

Nancy Rowe is an audiologist with over 35 years of clinical and research experience in the use of hearing and balance to bring learning enrichment to the therapy room and the classroom. She has been a featured speaker at educational and brain-based learning conferences in cities throughout the US, as well as in China, Europe, Nepal, and Central and South America. The Classroom Enrichment programs which she developed are now being used in schools and learning centers in 15 different countries around the world. Nancy has a degree in speech education from NYU and a graduate degree in speech and hearing science from Washington University in St. Louis. She is a member of the American Speech and Hearing Association and the American Academy for the Advancement of Science. She currently maintains a private practice in Fort Lauderdale, FL.

Dr. Jayashree Seethapathy Ph.D (SLHS), MASLP is an Associate Professor and Head at Faculty of Audiology and Speech Language Pathology, SRIHER. Her research area includes hearing in high risk infants especially preterms, auditory processing disorder, newborn hearing screening and ototoxicity monitoring. Dr. Jayashree has published numerous works in these fields. She is currently co-guiding a PhD thesis to implement an audio-vestibular monitoring programme for Head and Neck Cancer patients undergoing radiotherapy and chemoradiotherapy. Throughout her career, she has garnered a number of prizes and recognitions for her research papers and presentations. She was recently awarded the "Muktesh award" at ISHACON 2022. She is an Associate Editor of the Bangalore Speech and Hearing Trust's Journal of Hearing, Language, and Speech. She also serves as a reviewer in many international journals including the International Journal of Pediatric Otorhinolaryngology, European Journal of Pediatrics, Journal of Hearing sciences, American journal of perinatology, Frontiers in Pediatrics, Pediatric research etc.

Sarah Zlomke, Au.D., CCC-A earned her Doctorate degree in Audiology from Washington University School of Medicine. She currently works at Saint Luke's Hospital Midwest Ear Institute where she specializes in Cochlear Implants and Auditory Processing Disorders. Dr. Zlomke is also an adjunct professor in the Hearing and Speech Department at the University of Kansas Medical School teaching Auditory Processing Disorder.

Course Fee - \$300 per person (students - \$50)

Fee includes lunch and snacks both days for In-Person Attendees
